Discussion — At times like Donkey, other times like Rabbit

We all have a dreaming side and a practical side. You can recall some memories and share: When have you ever behaved like Rabbit? Or like Donkey? Have you ever imagined or dreamt of something and then taken steps to make your dream come true? Have you ever joined a friend in making someone happy, or creating something together?

And how would you make Elephant happy?

Imagine your very own dream celebration: What would you like to have? A cake made of clouds? Perhaps a performance by singing animals? Now, try to be more practical, and use the things around you: How about making a crown out of pegs? Or a present out of plasticine?

A Rhyme

Rabbit writes a poem for his friend Elephant. You can let it inspire you to write your

own delightful rhyme and gift it to a beloved friend or relative.
