קְרִיאָה

A discussion: What if I were... Mom

Which roles does each member of your household have? Who would you want to take over from? This book could inspire you to imagine switching roles within your home: What would your child do if they were to take over from Grandpa? What would Grandpa do if he took over from Mom? And how would you be able to help one another?

שְׁמַע

Listening to the story

What do you play in a parade? And what do musical instruments in a band sound like? You can find out all the answers to these questions and more if you listen to this book by scanning the code.

מִשְׂחָק

A game of "my occupation"

Am I a physician or a clown? Can you guess my occupation? Take turns choosing a profession and acting it out for the other players to guess. If a player's profession is a little hard to guess, you could give them a clue.

שִׂיחָה

Going into the illustrations

Which character in this book would you like to take over from? You may enjoy looking through it, choosing a character you would like to replace, and share your thoughts with one another: Would you want to take over from the baker? Or play in the parade?
