Happy songs

Which songs make you happy? Perhaps you could make a playlist of all the songs that make your family happy, and sing along together. You could even sing in funny voices – a high-pitched voice, the deepest of basses, or a whisper – adding some dance moves for greater delight.

מִשְׂחָק

A confused game for a confused uncle

Take turns asking a question while the other players try to come up with a "confused" response. For example: What's your favorite drink? Tea with a touch of mustard! What do you do when it rains? Wear sunscreen! What sound do birds make? Where should we go on our next trip?
