שִׂיחָה

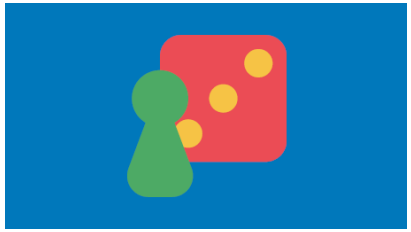

Close to home, dear to our heart

What is your favorite place? Is it at home? Is it nearby? Or is it far away from home? You can share with one another: What is your special place, what do you like about it, and what is special about it.

מִשְׂחָק

The grace of a place

You can find good things everywhere; every place has some beauty. Take turns choosing a place, whether near or far, in Israel or elsewhere, real or imaginary, and have the other participants ask questions about it to discover what makes it so wonderful.

A good station

How can a bus station make people happy? Scan the QR code and watch the schoolchildren's heartwarming initiative in Jerusalem.

לְצֵאת הַחוּצָה

In our environment

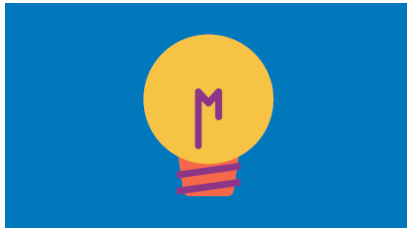

What is happening near your home? Go on a short walk outside, and try to discover how you can do good in your own surroundings: How about picking up litter and placing it in the recycling bin? Or offering people waiting at the bus station a drink of water? Or setting up a library on your street with your neighbors?
