

Continue activities following the story – Where is the Afikomen?

By: **Emuna Elon**

Illustrations: **Yinon Ptahia**

הוצאה: קוראים

Age Group: **Preschool (3–5)**

### **Pesach trivia**

What are the three things you would have taken with you when leaving Egypt? And who can leap like a frog from the second plague? Scan the code and you will be able to print out an amusing card game that will enhance your Seder Night experience.

### **Hide and Seek**

You can hide the afikomen or any small item and ask family members to look for it. Is it in the kitchen? Under the couch? Perhaps in the closet? In the next round, the one who found the item will hide an item of his or her choice, while the others go looking for it... Good luck!

### **Pesach activities**

This book offers parents the opportunity to tell their children about their childhood Seder Night experiences: Did you hide the afikomen? And who found it? What did you

like about Pesach as children? And what do you like about it now – parents and children?

פֶּלֶי

### Where is the frog?

A small frog is visiting for Seder Night wearing an ancient Egyptian headdress. Can you look through the illustrations and find it? Why does it appear in the illustrations, in your opinion?
