Age Group: **First Grade**

### שיחה

**Discussion**  
How do you prepare for Pesach? Do you have a family tradition that has been passed on from one generation to the next? Perhaps you would like to discuss it with your child. You could tell them how you, parents, celebrated Pesach when you were growing up, sharing a family custom or story with them that has stayed with you all these years.

### תקר

**About a dish**  
Do you have a dish at home that is associated specifically with Pesach? How about looking at it together, and telling its story: Where did it come from? Why was it kept by your family? What is it used for during Pesach?

### המחשה

**Illustrations tell stories**  
What can we learn from the illustrations in this book? Do they help us imagine Workito's and Almaz's lives in Ethiopia? You may enjoy choosing a certain illustration, looking at it together and discussing which character you would be interested in chatting with, what you would ask this character, and whether you would like to join him/her.

### **In with the new**

Following Workito's story, you may want to touch up items you love that are now tattered or torn. You could draw on an old t-shirt, color an old hat, cover an old planter with a mosaic, decorate some kitchenware, or create a completely new item from a broken dish. Do you like the way it turned out?
